Specimen Drop-off Checklist:

1. Specimen Container

- a. Please use the collection container provided by the laboratory or clinic, or call the Outpatient Lab nearest you for a replacement container if needed.
- b. Do not use: Containers intended for storing food, such as Tupperware, Baby Food jars, or Ziploc Bags as these may not be sterile and could affect your test results.
- c. Do not send diapers to the lab.

2. Specimen Label

- a. Please ensure that your specimen is labeled with the full NAME of the patient, Date of Birth of the patient, and date and time the specimen was collected.

3. Copy of Test Orders

- a. Please include a copy of all test order paperwork you received from your care provider or lab.

4. Specimen Storage

- a. Store your specimen _____ for up to _____.
(Temperature) (Time)
- b. If you are unable to store a specimen over the weekend, please deliver to the receptionist at the Anschutz Medical Campus Emergency Department in Aurora.
